Re: Meaghan King v. Ogury, Inc., et al.
Docket No.: 1:21-cv-01752-JPO

Dear Judge Oetken:

This firm represents individual Defendant, Evan Rutchik, in the above-referenced matter. On behalf of Mr. Rutchik, we write to join the co-defendant Ogury, Inc.'s ("Ogury") Motion to Dismiss the Complaint and Compel Arbitration. (Dkt. #11; 21).

The arguments raised in Ogury's motion to compel arbitration and dismiss the complaint are equally applicable to Plaintiff's claims against Mr. Rutchik. Mr. Rutchik is a beneficiary of the arbitration provision contained in Plaintiff's Employment Agreement, and her claims against Mr. Rutchik must be compelled to arbitration.

Thank you for your consideration of this matter.

Respectfully submitted,

/s/ Michael S. Hanan
